## Bob Cornuke Responds to Criticism of his book "Temple"

Bob Cornuke refutes with evidence the criticism presented in a video of David Regan and Randall Price where they claim that:

- 1. The drawings shown in the book are not "to scale"
- 2. The size of the temple is wrong
- 3. The size of the Roman Fort is wrong
- 4. There IS water on the Temple Mount
- 5. You can't see the city of David from the Mt. of Olives
